WHO WE ARE

Essex Flat Roofing Limited are a local company, established in 2007, specialising in G.R.P installations. We not only offer roofing installations and roofline but also many other different types of waterproofing solutions. We cover Essex and the surrounding counties.

Essex Flat Roofing Limited pride ourselves on our integrity and high standards. We have a "no hard sell" policy, however, you can rest assured when choosing Essex Flat Roofing Limited you will get a personal first class service by fully trained and approved installers from start to finish.

By using state of the art products with a BBA approval (*meaning they have been fully tested and certified to meet the British Board of Agrément Standards*) we can provide you with the finest quality and most up to date materials giving you the best quality installation available with the longest guarantees.

STATE OF THE ART

We use only approved and fully certified roofing systems, including:

- Topseal G.R.P Fibreglass System
- Sealoflex Systems
- EFR G.R.P Fibreglass System
- Topseal Recovery Overlay System

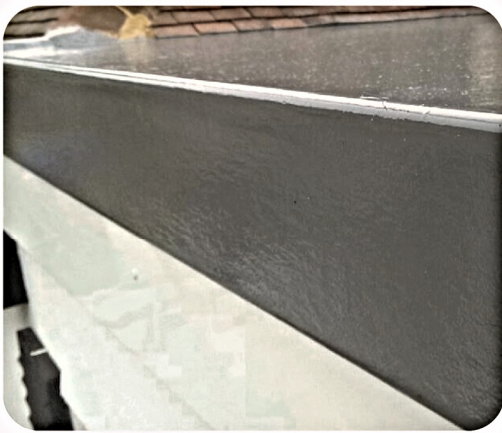

WHAT IS G.R.P?

G.R.P stands for "Glass Reinforced Polyester/Plastic". It is also known as "Fibreglass".

G.R.P is an extremely versatile material, lightweight, yet strong and waterproof which makes it the perfect solution for roofing systems. It is also ideal for walkways and balconies and is available with a non-slip finish.

G.R.P can be made into any shape or form, seamlessly without any joins, and in any colour of your choice!

WHY USE G.R.P?

- GUARANTEED TO LAST OVER 25 YEARS
- SEAMLESS
- STYLISH
- HEAT RESISTANT
- FIRE RESISTANT
- STORM PROOF
- FROST PROOF
- CAN BE WALKED ON
- NO MAINTENANCE REQUIRED!

TOUGH

G.R.P WILL OUT PERFORM VIRTUALLY ANY TRADITIONAL ROOFING MATERIAL

SAFE

G.R.P IS APPLIED COLD, SO NO NEED FOR NAKED FLAMES OR HEAT

APPROVED

- MANUFACTURED IN THE U.K
- FULLY BBA APPROVED SYSTEMS
- GUARANTEED FOR 25 YEARS
